**ADMISSION: FREE
BRING A FRIEND!**

Back for its third year, Down in the Reeds music festival will present dozens of amazing local bands, family programming, small business vendors, and more for a day-long festival celebrating the healing power of music.

During the event, and for most of that day, **some streets will be closed throughout The Parks at Walter Reed**, including:

- **A portion of Main Drive WILL BE CLOSED**, from the Georgia Avenue gate to Abrams Hall.
- Residents at The Brooks and The Vale will be able to access their parking garage and building **ONLY** from Cameron Drive via Aspen Street NW.
- Residents at Abrams Hall will be able to access their parking garage and building **ONLY** from 16th Street NW.
- No parking will be allowed on Main Drive or Cameron Drive after 7 am Saturday, Oct. 9. Any vehicles left on Main Drive may be subject to ticketing and towing; vehicles on Cameron Drive cannot be moved until after 8 pm that day. In addition, event organizers are not responsible for damage to unattended vehicles.

The entire festival will be a pedestrian-only experience, and all road closures will minimize disruption to residents. Please contact your property manager with questions.
