

JINYA RAMEN BAR GRAND OPENING AT THE PARKS IN WALTER REED

October 9, 2023, Washington, D.C. —Introducing a new [JINYA Ramen Bar](#) location in the DMV Area, opening on October 16th, 2023, at the Parks at Walter Reed (Georgia Avenue NW, Washington D.C.). At JINYA, experience ramen for the first time on this side of the Pacific like it was meant to be – with thick, rich broth in perfect balance with handmade noodles.

JINYA is ramen culture, where the relationship between broth and noodles is serious but delicious business. From the water we use to prepare our broths – we only use FUJI which is 99.9 percent free from impurities – to the special aging process that our noodles undergo before they're cooked and served, we're crazy about ramen and pay meticulous attention to everything that goes into your bowl. You'll quickly see why at JINYA we say, "No ramen, no life."

Ramen and Japanese Whisky are at the heart of our menu. Besides our Tonkotsu Ramen, Spicy Chicken Ramen and Spicy Creamy Vegan Ramen, guests will have a range of chef curated pairings of spirits and beer to experience with their favorite JINYA offerings.

JINYA's takeout and delivery program will allow orders to be placed online, via phone as well as through various delivery platforms including UberEats, Grubhub, Postmates, and DoorDash.
