

Petworth Community Clean-Up

Sunday, January 14th
12pm – 2pm

Join ANC Commissioners Casey Carter Swegman (4C01) and Vanessa Rubio (4E01), students & neighbors from around Roosevelt HS, MacFarland MS, and the Petworth Library for a Community Cleanup as part of Martin Luther King, Jr., National Day of Service. We will focus on cleaning up the blocks surrounding these facilities as well as the 800 block of Upshur Street.

We will **meet by the front steps of the Petworth Library at 12pm** and disperse from there. Grabbers, gloves, and trash bags will be provided.

We will wrap around 2pm, leaving trash bags next to public trash cans around our clean up areas and returning all tools to the original meeting area in front of the Library.
